

Dear Student,

Maybe you have been an exchange student recently, maybe you are currently studying in a foreign country, perhaps you studied abroad some years ago at one of the many universities spread all over Europe. In any case, being a student is a really special period of life and this is why we would like to invite you to share your opinion and experience.

**Erasmus Student Network (ESN)** is a network of non-profit student associations in Europe and beyond. Our aim is to help students who are studying abroad with practical, cultural, social and academic issues. Right now, we are conducting a **survey on the topic “E-Value-ate Your Exchange”** and we are very interested also in your experience.

*\* Would you help us by completing our online questionnaire and sharing your opinion? \**

You can find the questionnaire online at <http://survey.confirmit.com/wix/p1314507003.aspx>. It will be open from August till the end of September 2010. ESNSurvey is available only in English.

**\*THE PRIZE\***

When you fully complete the questionnaire, you will have a chance to **win a flight voucher** if you take part in the ESNSurvey competition.

However, even more importantly, by participating in the ESNSurvey, you will have a direct influence on the future of exchange programmes in Europe. ESN regularly shares the results of the survey with those responsible for exchange programmes. In this way, we contribute – with your help – to their improvement and allow more students to take part and successfully complete their exchange study in the future.

Should you have any questions, we will be happy to answer them at [survey@esn.org](mailto:survey@esn.org).

Thanks for your help and good luck with your studies!

Your ESNSurvey Team
